

# New Contract Rates (6-Year)

Effective 01/03/2023 through 01/14/2023 and are subject to change

Cap Rates and Step Rates will not be fully accrued<sup>1</sup> until the term end date and reflect only the potential maximum interest over the entire 1-or 6-year term. Rates shown are not annual rates. **At the end of any term, all rates will reset based on then-current renewal rates.**

If positive index performance of the selected index at the end of a term is less than the Cap Rate shown, you will receive the lower rate. For the Step Rates, you will receive the rate reflected only if the index performance at the end of the term is equal to or greater than zero.

If there is negative index performance at the end of a term, the issuing insurance company absorbs losses up to the level of protection for the Shield Option selected and your account value will be reduced by any negative performance beyond the level of protection. If you do not elect the Fixed Account, you could see a risk of substantial loss if the index declines more than your level of protection. Rate changes are indicated in ***bold italics***.

**New Money Rate Lock Procedure:** The Cap Rate, Step Rate, and Fixed Account Option interest rate are guaranteed for 60 days from the date the application is signed if the application is received by Brighthouse Financial Annuity Service Center within seven calendar days of the application signed date. If the application is received after seven calendar days, you will receive a new guaranteed Cap Rate, Step Rate, and Fixed Account Option interest rate for 60 days at the then-current rates. <sup>1</sup> Prior to the term end date, the accrued Cap Rate or Step Rate will be the applicable rate multiplied by the greater of: (60 days multiplied by the total duration of the term in years plus 180 days) divided by the total number of days in the term; or the total number of days elapsed since the beginning of the term divided by the total number of days in the term. In the prospectus, 60 days multiplied by the total number of years in the term plus 180 days is referred to as the Vested Period.
